

EDGARDO TORRES

Hc-9 Box 97158, San Sebastian, PR 00685 · (787)219-9820
edgardo.torrestraverzo@gmail.com

My objectives for this career are to learn more about aviation technology and become a professional.

EXPERIENCE

I haven't had jobs like this, so I haven't had any work experience. But I have gained a lot of experience in high school and college so I might be qualified for the job.

EDUCATION

MAY 2022

FINISHED HIGH SCHOOL, ESCUELA MANUEL MENDEZ LICIAGA

I finished high school with a GPA of around 3.8, graduated with high honors, and was awarded a medal for the electronics class I was taking during high school.

OCTOBER 2025

CURRENTLY STUDYING A BACHELOR, UPR AGUADILLA

I am currently in my last year studying for a bachelor's degree in electronics and have been awarded in previous years for my good GPA.

SKILLS

- Ability to work in a team
- Good at wiring
- I can read schematics
- Good at following instructions
- Good at assembling

ACTIVITIES

My passions in aeronautics and experience in electronics can make me a meaningful addition to the company. I can also speak and read English, which allows me to read manuals and understand instructions in this language.
